

The online booking system facilitates the tourists to book the tickets for package tours and accommodation facilities of APTDC. The booking can be done from the official website of APTDC (www.aptdc.in).

The user needs to click on online booking icon from the home page of APTDC.

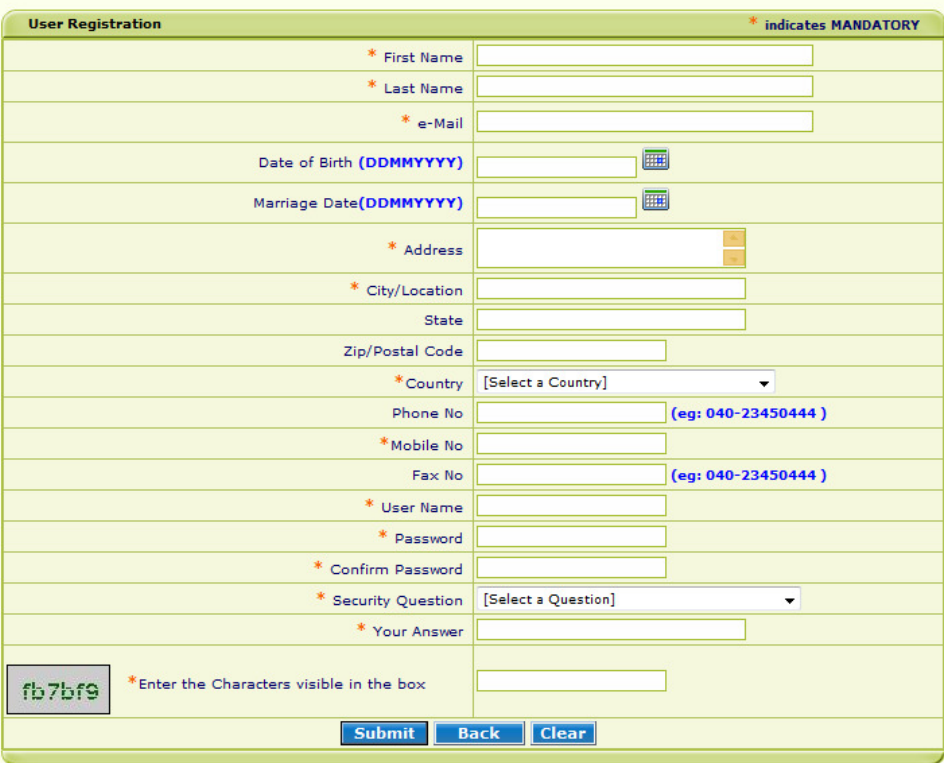

After clicking on the Online Booking icon, the booking page is launched in a new window.

The tourist can select registered user or un-registered user for making booking of APTDC Facilities. The benefits of registered users are the user can modify / cancel / take duplicate ticket from their account. In case of un-registered users, the users need to send an email to helpdesk@aptdc.in along with ticket number and other user authentication details for modification / cancellation / duplicate ticket.

If the user wants to register, he needs to Click on New User? Click Here.

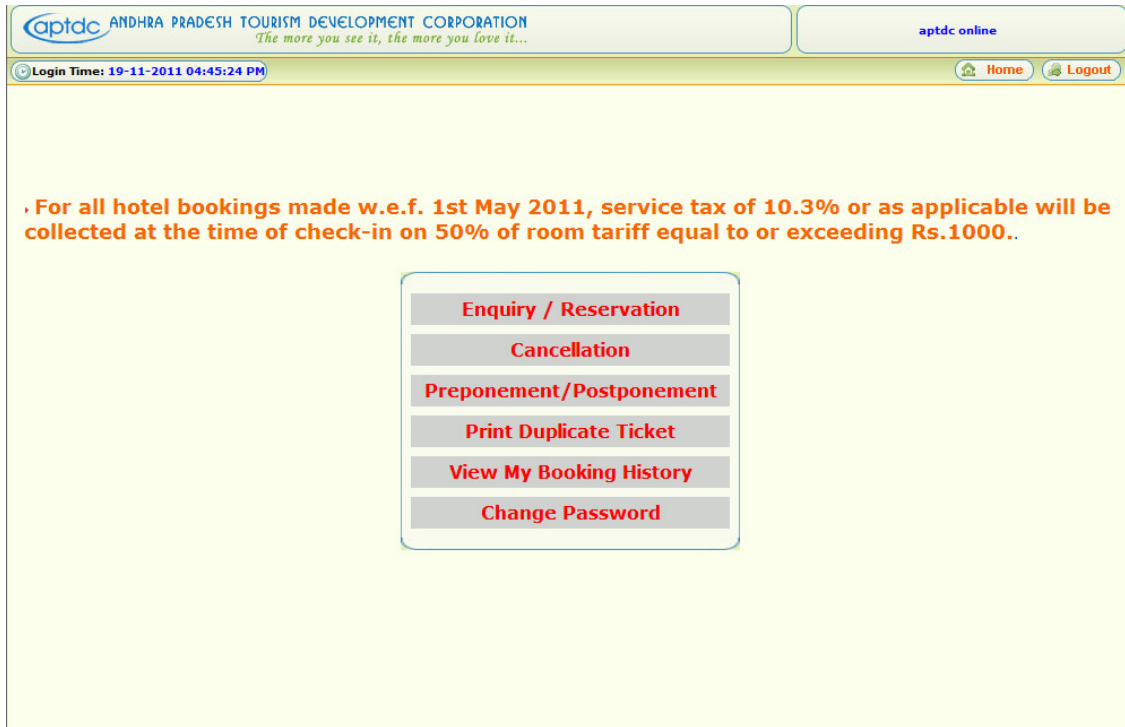

The image shows a 'User Registration' form with a light green background. At the top right, it says '* indicates MANDATORY'. The form contains the following fields: First Name, Last Name, e-Mail, Date of Birth (DDMMYYYY), Marriage Date (DDMMYYYY), Address, City/Location, State, Zip/Postal Code, Country (dropdown menu), Phone No (with example 'eg: 040-23450444'), Mobile No, Fax No (with example 'eg: 040-23450444'), User Name, Password, Confirm Password, Security Question (dropdown menu), and Your Answer. At the bottom left, there is a CAPTCHA box with the characters 'fb7bf9' and the instruction '* Enter the Characters visible in the box'. At the bottom right, there are three buttons: 'Submit', 'Back', and 'Clear'.

The user is required to enter the details in the form to get registered. The registered user can take duplicate ticket, cancel the ticket, modify the ticket etc.

After registration, the user can enter login ID and password to access the application. After logging into the application, the user finds 6 options.

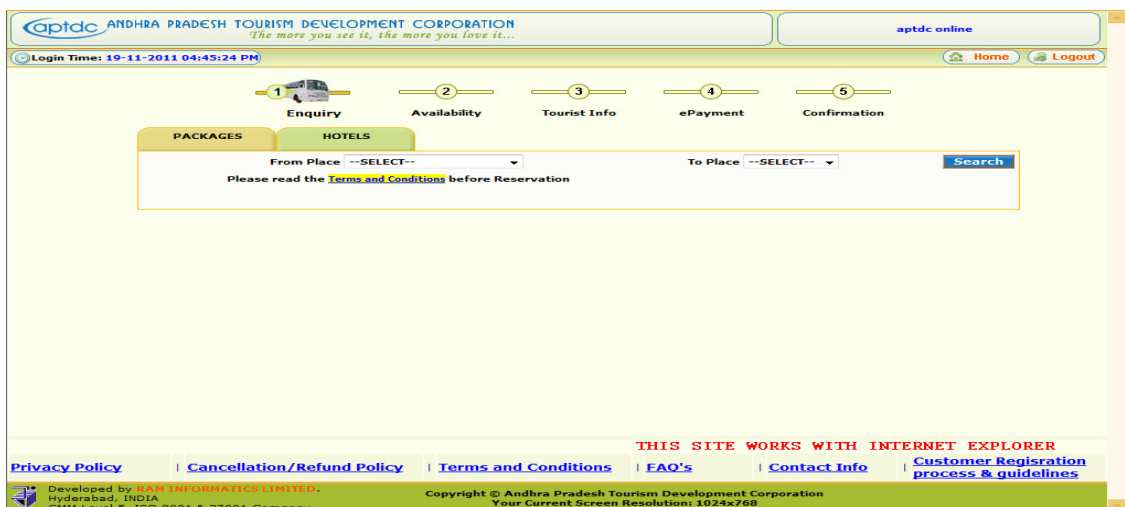

1. Enquiry & Reservation
2. Cancellation
3. Preponement / Postponement
4. Print Duplicate Ticket
5. View My Booking History
6. Change Password.

To make a fresh booking user needs to click on Enquiry / Reservation. Enquiry & Reservation has 2 options. Booking for Packages, Booking for Hotels.

Booking a Package Tour

In case the user wants to book package tours, user needs to click on PACKAGES tab and select the starting place and destination place and click search button. Basing on the place selected all the package tours available will be displayed for the user for selection of required package.
